

Hi everyone,

Hope this newsletter finds you well. I'm writing to ask everyone to pray for our last trip of 2009. I will be carrying a team (EXTREME TEAM) to the San Juan River that splits Costa Rica and Nicaragua. We will be there a week, working with the Mosquito's Indians. The team consists of men from churches in the Dallas, Texas and Birmingham, Alabama areas. Please pray for our safe travel, and that many will be drawn to Jesus.

As most of you know, I had back surgery last month and I am recovering well but with just a little apprehension about this trip. I do believe I will do fine, especially with the men that will be on the team. I know that I will be in good hands. I will be sending a newsletter, as soon as we return, sharing about the trip.

Many of you recently participated in the Fall fundraiser. The raffle was a success, as the ministry brought in a little over \$3,000.00. This will help with the current ministry expenses, so thank you all very much. The three winners will be contacted this Friday as the drawing will take place late Friday afternoon. The winners will also be listed on the HFI web-site at

www.Happyfeetmissions.com

By the way, there is a new video on the web-site now and can be found by clicking on the video button or the Watch Video tab.

Very soon there will be a new introduction to the web-site also. I think everyone will appreciate the new introduction.

Love you all. Remember - tell someone about Jesus Today!
