WE HAVE A MOBILE KITCHEN AND WE WILL TRAVEL

Hello,

Mary and I are urgently trying to sell as many Boston Butts and Ribs as possible to help meet an immediate need (about \$12,500.00) to pay for a load of shoes coming soon for Happy Feet International trips. We have a wonderful professional mobile kitchen unit and need some new locations in which to set up and sell the meat. We DO NOT sell BBQ sandwiches and sides, only whole butts and whole slabs of ribs.

If you might know of a church, civic group, grocery store or anywhere that might allow us to set up on a Saturday or even other days, please contact me, Bill Conlee

Thank you so much for your continued prayers and financial support for Happy Feet. Check out our Happy Feet website and see the new video. A picture of our mobile kitchen will be on our webpage soon too. Click here:

God Bless You,
