

March 15, 2010

Hi Everyone,

Just wanted to send a quick update. By the time you receive this email, Mary and I will be in Guatemala with a team from Houston Texas (West University Baptist). I'm excited that we will be working daily in the mountains with the Mayan Indians. In the past, I have found the Mayans very responsive to the Gospel, as well as, humbled that we have come.

Please pray for the team to have safe travel and that many will be saved. After we return, we will be working hard to raise the \$19,500 for a load of shoes that are coming soon. In fact, we have the mobile kitchen (smoker) scheduled for 5 weeks consecutively, including Easter weekend, smoking hams, butts and ribs.

The next Happy Feet trip will be in June with several throughout the summer and into the fall. We have two EXTREME trips planed this year. One trip in October and another in November.

As soon as we return from Guatemala, I will send another update about what all happened on the trip.

Love you all and may our Lord richly bless you. Tell someone about Jesus this week and please send me an email to share about your opportunity.

Bill Conlee

P.S. One last thought, please pray this week for our youngest daughter Abbey. She is seeking direction in her life and we are praying that God will show her the path He has planned for her.
