

June 2011

Hi Everyone,

I just wanted to say a few words about all that has been going on with Happy Feet. We have just returned from Guatemala with a team from First Baptist Church of Prosper Texas. It was quite an experience. We traveled into the mountains daily and experienced the village life of the Mayan Indians. The greatest blessing happened throughout the week as we experienced so many give their lives to Jesus every day.

The trip was NOT without a hiccup or two. Think about it, as our Lord is drawing people to Him, Satan is doing all he can to stop everything he can. I'm not going to go into any details because I will NOT give Satan any glory for what he did. Just know this, by the end of the week we were blessed to see over 700 Mayans bend their knees and call out to Jesus for their salvation. Praise Our Lord!!

Next month, my wife and I will be taking another team back down to Guatemala. In fact, we have teams every month for the rest of the year with December being the only exception. So, we will be very busy.

Thank you for your prayers concerning my last back surgery. It is coming together I believe (slowly). As you know, I have never been one to write long newsletters so I will stop here. There is always a lot to say and little time to tell everything.

Please keep the ministry in your prayers, and of course, the financial issues seem to always exist. If you can send some support this would be a really good time for that to say the very least.

Love you all and I truly consider it an honor to serve with you as we tell the world about JESUS!!!!

Bill Conlee
